

A male teacher in a light blue shirt and dark trousers stands on the right side of the classroom, holding a book and addressing the class. He is positioned near a desk cluttered with various items, including a fire extinguisher and a water bottle.

A large group of female students, dressed in blue school uniforms, are seated on the floor, facing the teacher. They are listening attentively to the presentation. The students are arranged in several rows, filling most of the classroom floor.

A metal bookshelf is located in the center of the room, filled with numerous books. The books are organized into several rows, with some stacks of papers or books on top of the shelves.

A large window with a metal grille is located on the left wall, allowing natural light to enter the room. The window is partially covered by a stack of books on a shelf to its left.

Another large window with a metal grille is located on the right wall, providing a view of the outdoors. The window is positioned above a desk area.

A desk is located on the right side of the room, holding various items including a fire extinguisher, a water bottle, and some papers. The desk is positioned near the wall.

Several school bags and backpacks are placed on the floor in the foreground, near the desks. One bag is prominently visible with a red and black design.
